## FROM THE PASTOR'S DESK BY DR. MARK CROSBY

FROM THE  
PASTOR'S DESK

In March we all experienced something no one has ever experienced in our life time, a world wide pandemic that closed "houses of worship" around the world.

Though we can agree that "The Church" was not shut down, but the ability to gather in our place of worship was curtailed, and some ways ceased.

However, we broadcast via internet the message of God's Word, and encouraged our community of faith to worship with us. Many reported that they were blessed, encouraged and inspired by some of the innovative ways that we have been able to minister. We also created the "Counseling Corner" and "Searching the Scripture" as teaching opportunities to stay connected to our community of faith.

The staff has been invested and involved in a variety of ways or reaching out, and staying connected with our community of faith. Most of the staff are coming in to the office, answering and making phone calls, creating videos that help parents and students and prepare each week to bring a new format of worship and presentation of the message on Sunday.

These are indeed unique times, however I am hopeful that we will get back to our "normal way of life" soon. If not we will continue to bless, encourage and teach in whatever manner we possibly can. The message and

mission of Live Oak Church will continue. We will be faithful to the One who has saved us, called us and fills us with His grace and love. We will proclaim the Word of God in new and helpful ways and perhaps reach a population that we possibly would not have reached.

We know that the Word tells us "God causes all things to work together for good to those who love God, to those called according to His purpose" (Romans 8:28). We stand on that scripture and pray God's blessing on our church as we stand together on His Word and promise.

In the month of April as we prepare for the Easter Season, our series will be "Answering the Questions of Jesus." Jesus asked many questions, so that we would think and respond to His ministry, and word. Sometimes a well asked question opens our hearts and minds to His truth. So come join us

(via internet or hopefully in person if the ban is lifted) as we "Answer the questions of Jesus" this Easter season.

Stay in touch, pray for the ministry, mission and message of Live Oak, and let's work together to get through this crisis as we do great things for God and expect great things from God.

Know we are here for you. Hope to "see" you Sunday!

- Mark C.

## SERENITY IN TIMES OF UNCERTAINTY BY DAVID ORGES

It's why people practice civil disobedience. We're all searching for something we can control in a time that makes us feel out of control. The theologian Reinhold Niebuhr wrote one of the most well known prayers ever written. You probably know it as the Serenity Prayer:

*God, grant me the serenity  
to accept the things I cannot change,  
the courage to change the things I can,  
and the wisdom to know the difference.  
Living one day at a time,  
enjoying one moment at a time;  
accepting hardship as a pathway to peace;  
taking, as Jesus did,  
this sinful world as it is,  
not as I would have it;  
trusting that You will make all things right  
if I surrender to Your will;  
so that I may be reasonably happy in this life  
and supremely happy with You forever in the next.  
Amen.*

**H**ave you ever played a game with a little kid? Maybe you've been around a group of little kids playing a game. It's only a matter of time until at least one kid starts losing and immediately tries to change the rules. The post that was "base" is no longer base when they can't tag anybody. They can suddenly play all of your draw two cards when you call Uno. The kid that finishes dinner first suddenly loses because the winner was really the kid that finished last the whole time. With the schools closed and the Governor's stay at home order, my entire life feels like a million combinations of scenario that sound a lot like that. My kids are 6, 5, & 3. All of life is a struggle for control, and I haven't even started talking about the parent child dynamic. We got three little pirates on the verge of mutiny at any moment!

In times of uncertainty, the natural response inside of every one of us is to grasp for something, anything, that we can control. It's why people hoard toilet paper when a virus has no symptoms that would require toilet paper. It's why people obsess over the minute by minute news updates.

The prayer is so incredibly powerful. It has resonated with millions of people because of the beautifully written simple truth that we all need to be reminded of: There are things that we cannot control. Our hope comes in knowing that God is in control. God is never caught off guard. He is never unprepared. He is never overwhelmed. He is never out of control.

I can't tell you that I always know the mind of God. I won't even tell you there aren't times when I question how God could possibly be in control, when the circumstances seem to suggest that nobody is in control. But that's when we trust what we know to be true, not just what feels true in the moment.

God is the creator and sustainer of all things. God is aware of your circumstances. God is in control.

When that doesn't feel true, ask God to grant you the serenity to accept the things you cannot change, the courage to change the things you can, and the wisdom to know the difference.

## NEW MEMBERS CLASS BY SAM LOBELLO

*"You will keep him in perfect peace, whose mind is stayed on You, because he trust in You. Trust in the LORD forever; for in the LORD JEHOVAH is everlasting strength."*

*Isaiah 26:3-4*

I can't tell you how many times I have shared that passage with someone in a hospital room or otherwise in crisis since 1981, when I first became a pastor. It is a verse I have focused on as I was having surgery, or in an MRI tube or in the midst of a trial. In this verse I see two promises from God...

- Peace in the midst of life's trials
- Strength to get through them

However, there is one condition...Keep our mind focused on the LORD. Satan would rather us focus on anyone else or anything else, just not the LORD. Then, our hearts will be filled with turmoil and chaos. Peace and strength comes to us within as we keep our mind focused on the LORD and place our trust in Him.

By the way, our next New Member Class will begin on my birthday, Sunday, May 3rd for those desiring membership to LOUMC. We will meet in Room #16 at 9:00 AM. I look forward to seeing you there. The teachings you encounter will enrich your life here on earth and throughout eternity.

I will lead this four week class as your Adult Education Pastor. Upon completion, each participant will receive a Certificate of Completion and a New Member Packet welcoming them into the Live Oak Family!

To give ample opportunity to all desiring to become members, this class will re-cycle beginning the first Sunday of each month.

Opportunities to make up a missed session is available.

We are excited about what God is doing at Live Oak Church and look forward to our journey together!

# GOD'S MONEY AND YOU BY JIM OTKEN

It's April, and we are looking forward to the celebration of Easter and the empty tomb. As I write this, we are not able to meet as a church body, but our calling still remains – to love, serve, pray, and give. Know that our church staff is still working and is available to you.

Please know that your support of Live Oak remains during this time, and there are several ways to accomplish this.

**Mail:** Contributions can be mailed to Live Oak UMC, P.O. Box 709, Watson, LA 70786. Please do not send cash through the mail.

**Realm:** Online contributions can be made through Realm. If you don't have a Realm account but would like one, please email [jim@loumc.org](mailto:jim@loumc.org).

**Online:** Donations can be made via the links on our Facebook page or at [www.loumc.org](http://www.loumc.org).

Be encouraged, trust God in all areas of your life, and ask Him for guidance in your support of Live Oak.

# WORSHIP IN THE CHAOS BY TRENT BARNETT

# LIVE OAK WORSHIP

There's a line to a worship song that has been running in my head for the past couple weeks. The Coronavirus has made for an especially uncertain time in our world, leading to a ton of confusion and chaos - hence the lyric (Hillsong United's "None But Jesus")

*In the chaos and confusion  
I know You're sovereign still  
In the moment of my weakness  
You give me grace to do Your will*

It's safe to say the chaos and confusion of this season are unprecedented. As tough as it may be, many of us know what to expect when hurricanes or floods hit, because we've been through it before. We know how to prepare and what the steps to recovery look like. With this situation, it can be hard to know what even tomorrow will bring or look like.

But we have the promise of Psalm 46 (and countless other truths in God's Word) that, "God is our refuge and strength, an ever-present help in times of trouble." He is still God, and He is still sovereign. And He gives us grace upon grace (John 1:16) to do His will.

So what is God's will - for this season, and for our lives? In Ephesians 5, Paul challenges us to not be foolish, but to understand what the Lord's will is - to be *"filled with the Spirit, speaking to one another with psalms,*

*hymns, and spiritual songs. Sing and make music from your heart to the Lord"* (v. 18-19). There are so many things I could say just on this verse, but for our present purposes - the best thing we can do in times of trial and difficulty is to worship God. To let our hearts and our mouths overflow with thankfulness and praise, giving all glory to God, and encouraging each other through our posture of worship.

When Paul and Silas were in jail (Acts 16), it says *"about midnight they were praying and singing hymns to God, and the other prisoners were listening to them"* (v. 25). A violent earthquake shook the prison, opened the doors, and released everyone's chains. The guard was afraid the prisoners would have all escaped, but was amazed to find everyone was still there.

Just before disaster struck, Paul & Silas were worshiping in the middle of a difficult, uncertain situation. When circumstances became even worse, Paul & Silas could have escaped, but instead they remained faithful. The posture of their hearts toward worship, even in difficulty, led to the jailer and his whole family being saved!

So, when the chaos and confusion of life sets in, we have a few options. We can look for an escape. We can collapse in fear. Or, we can trust God's faithfulness and be found worshipping. What do you want to be found doing?

## QUILTERS BY STEVEN HEBERT

**T**he Quilters at Live Oak Church in Watson, also known as "The Piecemakers" are the most amazing women around!! They have been making quilts for the sick, the shut-ins and the hurting for decades now. Well this weekend they really shined bright!! On short notice they stepped up to help out with the shortage of masks we have for our patients, their families and the employees at The Hospice of Baton Rouge! They made and donated 200 masks in 2 days!! The masks are quite fashionable too!!!

Thank you so much ladies. Your ministry touches so many lives! May God bless each of you a thousand times over.

Currently, our quilters are trying to locate more elastic. As a result, we are presently unable to mass produce masks. However, we can handle small orders. Please pray with us as we try to resupply.

# PRETEEN AND CHILDREN'S MINISTRY

BY TRISH GRAVES

**H**ere we are a couple of weeks into the Coronavirus 2020 shut-in! We hope that you and your family are staying well. Life is certainly a lot more different than it was just two weeks ago. The news, and everyone everywhere is talking about the virus, the economy, losing jobs and all the things that COVID-19 has brought us. These times can cause anxiety in us as parents, but just as much, in our kids.

Our kids look to us as parents and guardians for stability and reassurance that everything is going to be okay. Try to keep your kids out of conversations that could cause anxiety. Do things as a family, things that we always say we wish we could do, but never have the time. Have a game night, bake together, go on walks, or have a treasure hunt. Decide together how you can help others.

Encourage your family to have “alone time with God.” One of the most important things we can do is to spend time in the Word. Pick a quiet time, for your family in the morning or in the evening, and get alone with God. And alone means just that, alone. Turn off the TV, turn off the music, turn off social media. Find your spot, get into the Word, and expect to hear from God. It’s so incredibly cool to see each member of the family finding their spot in the house, all at the same time, to have their “alone” time. Then come together as a family and talk about what God’s word means to you. We will be posting “Alone Time with God” links to scripture in and questions in Facebook to get you started.

While we can't be together at church, we can still stay connected. We will be posting fun activities, Sunday morning and Wednesday evening worship and Bible stories, and much more.

## A DIFFERENT WAY OF DOING MINISTRY

BY CARL DOESCHER

March was quite an unique month in 78Jump. The month started off with our Girl's Lock-In, which was a huge success. Our girls were able to have fellowship along with having a Bible Study that went over Ephesians chapter four. They discussed what it looks like for a believer to take off the old self and put on the new. More specifically, focused on the fact of who God says they are as well as believing it themselves. With media, friends, and others, it can become a habit to compare to each other, but focusing on who God says we are is utmost important. The girls made bracelets with letter beads that spelled out a word describing who they are in Christ and were also encouraged to make another one to share with a friend. Furthermore, on a Wednesday evening, we had a guest speaker come in to speak to the students, which was the principal of Live Oak Middle School, Ryan Hodges. Ryan has served with us before in ministry and continues

to partner with us. In his message, he centered on the issue of Pride. With this subject, Ryan broke down the areas of life where we struggle with pride and gave answers by presenting to the students what God says about pride. Likewise, he gave practical ways for the students

to battle this issue and change the environments around them. Ryan was a blessing to have joined us and super excited to see what God has in store for him going forward. Now I did say that this month was unique, this is so because we have moved all ministries as of March 17th to online until stated otherwise. As a result, all communication for the time being for 78Jump is online. We will be sending scripture, devotionals, and videos to the students via text, phone call, social media, and group chats. Personally, I will be hosting Bible studies online for our students in online small groups! If your student is interested they can email me at [carl@loumc.org](mailto:carl@loumc.org).

## FOCALPOINT912 BY CAMERON MCKENZIE

Well, this month sure has been interesting so far. Last month, I never would have guessed schools would be shut down, workers told to stay home, and churches asked to close their doors for the time being. While it has been vastly different over the last few weeks, ministry is still thriving here at Live Oak.

In high school ministry we have not been able to meet in person for service, and our students have been homeschooled for the better part of the month now. So in order to keep in touch with them and continue our discipling of the next generation we have implemented some new strategies. Every Wednesday afternoon, Focal Point 912 releases a new podcast episode on every major podcast hosting app, i.e; Apple Podcasts, Spotify. These episodes range from a meeting between small group leaders to share a devotional with our students, to answering some of the questions students have been asking during this time. It has been a great way for our ministry to continue to reach the community during this time. So be sure to go check it out, and share it with your students! We also release a shorter episode(s) through the week with encouraging scriptures and devotions to keep our students in the word.

While I cannot wait to meet and fellowship with my ministry in person again, this time will show us that we can make it through anything. The building is where discipling happens, but we are not dependent on it. The most important thing is that Christ remains with us daily, and that we continue to look to him for guidance.

# WOMEN'S MINISTRY BY JEANIE ACHORD

God definitely showed up at our Our Women's Conference on leap day! He greatly used Phyllis Elvington who spoke on the topic "What On Earth Are We Here For?" Our Family Life Center was full of ladies as Phyllis shared on how we are here to love the Lord, read His book, surrender to His will and follow His leading. She broke it down and gave clear steps on how we may better serve our Lord. Many came with tears saying that the message was exactly what they needed to hear. Thanks to the Missions Committee and all who made our Women's Conference such a success!

## GLOVES: GOD'S LOVE OVERFLOWING VIA ESSENTIAL SERVICE

BY GREG HOOPER

We are well into 2020 and the Gloves Ministry has completed the first wheelchair ramp project of the year! This volunteer team simply brings together men and ladies from all backgrounds, experience and skill levels for ramp building projects and small repair tasks for those who simply do not have the resources or means to meet the need on their own. We focus on wheelchair ramps because families may then focus on other important needs for the loved one.

The Gloves team prays as a team, bringing God's leadership over the project into focus. We often encounter neighbors, friends, or family members that possibly have never seen the love of Christ in action.

If you have a project to submit for consideration, please call the Church Office at 225-664-4801 to speak with Bro. Sam LoBello. We welcome volunteers of any skill level!

SENIOR ADULTS BY LANDRA REED

# SENIOR ADULTS

*"Don't fear for I have redeemed you; I have called you by name, you are mine."*

**T**hat actually commands us not to fear, or worry. The phrase "fear not" is used at least 80 times in the Bible, most likely because He knows the enemy uses fear to decrease our hope and limit our victories.

Due to our current circumstances our Senior Adult Ministry will be canceling all trips and events for April. We will meet back up with our ladies in May for our Mother's Day Tea. If things are back to normal by then, we may also meet as a group for lunch close to home. If any of you need anything and are not able to get out please feel free to call me or text me and I will gladly pick up anything or take you to the doctors if need to. If you just simply need prayer call or text me.

Praying for all of you and I love you all.

Total balance is due May 3rd.

#### **WOMEN'S MINISTRY**

Our Ladies' Movie night featuring *OVERCOMER* is postponed until further notice due to COVID-19.

We are launching a new Ladies' Bible Study by Beth Moore called *Chasing Vines: Finding Your Way to an Immensely Fruitful Life*.

Jan Tate is leading this study starting Monday, May 4th at 6:30p in Room #2.

#### **SENIOR ADULTS**

All Senior Adult trips and events for April are canceled due to COVID-19.

We will meet back up with our ladies in May for our Mother's Day Tea.

### FAMILY EVENTS

#### **DRIVE THRU EASTER EGG HUNT**

Drive thru our campus on April 10th and 11th and find eggs hidden throughout our campus from the comfort of your car.

Each egg will have a number and a letter.

When you finish finding all the eggs, go to our church website [loumc.org](http://loumc.org) and submit your answers from the questions asked from your egg "hunt".

A winner will be chosen from all those who have participated for a special prize. May the best family (car) win!

# MEET TEAM

Coming together from a wide variety of backgrounds and experiences, our skilled team of pastors and ministry professionals are the backbone of Live Oak. Their ideas and leadership help shape the direction and mission of our organization as we continue to grow.
