FROM THE PASTOR'S DESK BY DR. MARK CROSBY

FROM THE PASTOR'S DESK

The month of April is about Easter, and Easter is about the resurrection of Jesus. The resurrection is the greatest event in all of history. It is the hope for all humanity in that death has been defeated and that eternal life (paradise) awaits all who will believe in Jesus for it (John 3:16). However, there are many questions about the resurrection. Some ask, how can I know it actually happened? Some ask, what is the evidence of the resurrection? Some may ask are there any other explanations of what happened on the Sunday morning after the crucifixion?

These are all important questions that we can and will address. As a matter of fact, questions are important as we seek answers about our faith, our hope and our future. Thus, asking questions is something we should all do. The Bible says "examine all things" (1 Thess. 5:21). Therefore, in the month of April we will be addressing the "tough questions" many are asking about their faith, and their future. As we answer these questions we hope and pray your faith will grow stronger and you will be more confident about your future.

So we hope you will join us not only Easter Sunday, but all month long as we preach/teach on "**Answering the Tough Questions, Growing in our Faith.**"

Have a happy and blessed Resurrection Sunday and lets together celebrate our faith and future in Jesus and His resurrection.

I hope to see you Sunday!

Mark

THE PROMISE OF EASTER BY STEPHEN HEBERT

I just love this time of the year, don't you? I find it so awesome when the surrounding scenery awakens from its winter sleep, when the March downpours move along, and the bright warm southern sun reaches out to touch us letting us know summer is near. This is the time of year when it's socially acceptable to break out the nice bright colors in your wardrobe, and you trade in your darker earthy colors for the pastels and paisleys that light up a room. For many others, this is the time of year when they think about those they've lost in their lives, and waves of sorrow pass through with one wave crashing after another. The best part about this is, in return for the sorrow, we get to celebrate the promise of Easter, and we remember this glorious day in the history of all humanity.

What is the promise of Easter you may ask? It is the promise that Jesus made at the entrance of the tomb of his good friend, Lazarus, when He said, *"I am the resurrection, and I am life. He who believes in me will live, even though he dies..."*

Death seems so cruel to us, so unfair and final. This is exactly how the disciples felt after seeing Jesus tortured and then executed by being nailed to a cross. After Jesus died, for three days the disciples were crushed. They were mourning, and they had fallen into a deep pit of despair, not even considering the promises that Jesus had made previously.

Just as Jesus called Lazarus out of the tomb, the early morning of the third day, He too, got up and walked out! He defeated death that day once and for all, and by this mighty work of His, the disease and the curse of sin has been cured forever! The Apostle Paul explains this in 1st Corinthians 15:54 – 56, *"Death has been swallowed up in victory. Where, O death is your victory? Where O death is your sting? The sting of death is sin, and the power*

of sin is the law. But thanks be to God! He gives us the victory through our Lord Jesus Christ."

Whether you have lost a loved one or friend within the last few months or it has been in the years past, the empty spot in your heart is right where this special person (or people) fit. In return for this pain and this empty spot in your heart, I want to encourage you today to do three things:

1st Pray – Pray that the Lord will heal your wounded heart by filling this empty spot with His Spirit, with His love, and with His amazing grace.

2nd Stand firm – The Apostle Paul continues in verse 58 saying, *"Let nothing move you. Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain."* I encourage you to use this loss and this experience you've had as your fuel to do good works, for God's glory.

3rd Remember – Don't forget Jesus' promise! Don't forget that first Easter and the empty grave!!

The promise of Easter and the resurrection of Jesus shows us that death is not the end. Instead death is merely a transition point from this life to the next as we continue in eternity. Just as Jesus promised in John 11:25 – 26, *"I am the resurrection and the life. He who believes in me will live, even though he dies, and whoever lives and believes in me will never die."* For believers, the promise of Easter is eternal life with our family, with our friends, and with the Lord Jesus forever and ever, Amen.

LIVE OAK CHURCH AND THE SCOUTING PROGRAMS

BY DICKIE DAVIS

Some 64 years or so ago, the Scouting Program began at Live Oak United Methodist Church. These programs have been an integral part of our church community. We currently charter BSA Troop 58, Venturing Crew 58, and Pack 58.

Scouting teaches basic developmental life skills that are grounded in a duty to God, as well as duty to country and fellow man. Scouting works in conjunction with the church, encouraging leadership, fellowship, community, and FUN. The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Scout Law.

The troop enjoys many activities such as camping, canoeing, hiking, and others. They earn merit badges which opens the door to a number of career opportunities as well as teaching them basic skills such as swimming, cooking, first aid, personal management, and many, many others.

The Venturing Crew is a co-ed group and follows the BSA guidelines, working in similar manner as the troop. A scout can earn ranks

within the Venturing Crew - even Eagle, the highest rank offered by Scouting.

The Cub Scouts start everything. They are family oriented and the activities are geared for families to work together. Cub Scouts go camping, attend day camp, build pinewood derby cars and race them, and many other activities - all as a family.

Thus far, in the 64 years, Troop 58 and Venturing Crew 58 are happy to say that several scouts have earned their Eagle. Many of these are still active with the church.

With all of this being said, no doubt you may have heard of the recent events that have had an adverse effect on the programs. Because of these events, Scouting at Live Oak UMC is at a crossroads. Membership in all areas has dwindled to the point that if things do not turn around soon, we will no longer be able to offer these wonderful opportunities in the very near future. Your support is needed. If you have a child or youth, or know of any who may be interested in becoming involved, please contact Bro. Dickie Davis at the church (225-664-4801).

The Cub Scouts (grades K-5) meet as a pack on the 3rd Tuesday of each month from 6:30 - 7:30 PM in the FLC. The dens meet once or more a month. The schedules vary. For more information contact Elizabeth Fasbender; elizabeth.fasbender@lpsb.org.

Troop 58 (grades 6-12; ages 11 to their 18th birthday) meet weekly on Monday night beginning at 6:30. They meet in the FLC. For additional information contact Phillip Rankin; theresarankin@bellsouth.net.

Venturing Crew 58 meets every other Tuesday night at 7:00 in the FLC. Contact John Dyer; jdya3@yahoo.com.

CHILDREN'S MINISTRY BY FAITH STORCK

Through all of my years working with children, the most important thing to me, except teaching them about and showing them the love of Jesus, is their safety. I often read about safety with children and came across this quote by an unknown author the other day, *"Safety doesn't happen by accident."* The safety of your children while they are in our care is done so with intention.

One of the ways we can keep them safe is through our check in system. This past month in Children's Ministry, we launched the new check in system through our new amazing church software, CCB, also known as Church Community Builder.

I want to thank each and every one of our parents for helping me by filling out the forms so that we have accurate information on your children and for your patience while we implement this new system.

I do want to give a huge thanks to my husband for coming in after work and on the weekend to help us get the technical side of things set up for this implementation. When I purchased the equipment, I was adamant to set it up myself and not ask him. I don't have all the technical knowledge that he does, and after hours of frustration, I had to give in and ask for help. If it wasn't for him, I'd still be trying to figure it all out and we'd still be with the old system. When the church hired me, they got a bonus employee. It was

a B1G1 deal for Live Oak!

Change is hard, but I think you will be impressed with this change. We have two check in stations in the nursery hallway, and two in children's church. The printers automatically cut the labels. I don't know if that will impress you, but for someone who had to unjam our old printers weekly, this is life changing.

More than anything, I want you to know that your child's safety is of upmost importance to us. We love Jesus and want to tell all of the kids that enter into the church about Him, while keeping them safe in this facility. We in kids ministry want you to feel confident that your child is safe when you drop them off into our care.

Parents, thank you from the bottom of my heart for entrusting your children to us here at Live Oak.

Senior Sunday:

It's almost that time again that we as a church want to recognize our 2021 highschool and college graduates. This class has been through so much over the last years that we at Live Oak want to make this a special occasion for both the graduates and their families.

We will start with a senior breakfast on Sunday April 11th at 8am upstairs in the FLC.

If you want your graduate recognized on our May 2nd Graduation Sunday this breakfast is required.

This will give us a chance to get additional information on graduates which will help us make May 2nd even more memorable for you and them.

You can register on the church app or sign up at the welcome center.

A HEARTFELT THANKS! BY SAM LOBELLO

On January 31st I was diagnosed with COVID-19 related double pneumonia. Betty, my wife, and grandson, Brayden, were diagnosed with COVID-19 the next day. It was a very difficult time for us three together for about 10 days. None of us had energy and were sick. Our LOUMC church family prayed for us, encouraged us and ministered to us at a time when we could not do for ourselves. As a result of the virus not getting in their lungs, Betty and Brayden begin to feel a bit better after about 10 days. At that point I ended up in the COVID Unit at OLOL Hospital. After receiving a COVID drug and being treated for four days, my doctors discharged me and I came home. Then the ice storm hit our area. Afterwards I went to my family doctor who promptly sent me back to the hospital where I spent five additional days. The COVID journey has left me with substantial scar tissue in my lungs. As a result I was out the month of February.

It has been exciting to get back in the saddle in March. I have been able to teach my New Member Class, REFUGE Addiction Recovery Group, Men's Prayer Breakfast, as well as attend worship, take appointments and administer our Adult Ministries. I am blessed to have the doctors and specialists that have been provided. I have been most blessed by the faithful prayers of God's people! Please accept my heartfelt thanks! Betty, Brayden and myself have been greatly blessed by your prayers, ministry, encouragement and care.

SENIOR ADULTS BY LANDRA REED

What an amazing gift Jesus has given us! I am forever changed because of him. No other love can compare; but, we should live our lives as he has commanded. Love thy neighbors, family, and friends. Love thy enemies. Yes, your enemies! When you can show compassion and kindness to even those who have hurt you, or did wrong by you, then you will experience what God's love and grace is truly about.

We had a great turnout on March 12th at Big Mike's. I so enjoyed visiting and catching up with each and every one of you. It was great to see faces I haven't seen in a good year.

On April 6th at 12:30 we will have a game day in the FLC. Lunch will not be provided, however, drinks and snacks will be available. So bring your game face on and let's have some fun!

On April 19th we will have lunch at The Boston in Amite. We will meet in the church parking lot and leave at 10:30am. We will have to carpool, so make sure you choose a group to ride with.

We have many more fun things planned for this year, as well as some fundraising. More information will be available on that at our next lunch meeting to the Boston. Have a blessed & happy Easter!

And behold, there was a great earthquake; for the angel of the Lord descended from heaven, and came and rolled back the stone from the door, and sat upon it. His countenance was like lightning, and his remnant white as snow: and for fear of him the keepers did shake, and became as dead men. And the angel answered and said unto the women, Fear not, but I know that you seek Jesus, which was crucified. He is not here: for He is Risen!
